I the undersigned Ms / Mr representing the company have read and understood the measures taken by the show's organiser for the "FORUM LABO 2023" show for the prevention of work-related accidents and health protection.

BELOW MUST BE COMPLETED

A – IF YOUR STAND IS

- Supplied by the **ORGANISER**
- Installed by you, **one single company**
- Installed by a **decorator without subcontractors**.

If YES to one of the above conditions, please send the Exhibitor Certificate before MARCH 18th 2023 to D.Ö.T

B – IF YOUR STAND IS

- Installed by **several independent companies**
- Installed by a decorator using **at least two subcontractors**
- Contains a **mezzanine or very large surface**

How many?

How many?

If YES to at least one of the above conditions, you must, before MARCH 18th 2023:

- Send a blueprint of your stand to D.Ö.T (SHP Coordinator for the show)
- Mission a Safety and Health Protection Coordinator** for the booth's set-up and break down periods. French Law dated 31/12/93 N°93-1418 and French Decree dated 26/12/94 N°94-1159. This coordination mission cannot be undertaken by the exhibitor, the booth installer or the design office. It must be conducted by a certified professional who has official French certification.
- Send the contact details of the missioned SHP Coordinator and the General Coordination Plan for Safety and Health Protection (GCP-SHP) for this stand to **D.Ö.T**

Coordinator Name: Company Name:.....
 Address:.....
 Tel:..... Email:

In conformity with current French legislation, the Safety and Health Protection Coordinator mandated by the exhibitor must send the GCP-SHP for the booth to Alain FRANCIONI (SHP Coordinator for the show), at least 8 days before the start of event set-up and inform him of the **dates s/he will be on site**, with their client.

IN ANY AND ALL CASES, you can contact D.Ö.T (SHP COORDINATOR for the show), if you have any questions or would like assistance concerning this procedure.

<i>Company Stamp (MANDATORY)</i>	<i>Date & Signature (MANDATORY)</i>
